

**Self Pay, Co-Pay,
Rationing, Entitlement,
Legislation**

**Richard Douglas DH
Director of Policy , Strategy
and Finance;** "... the drive to
find further efficiency savings
in the NHS will continue after
2015, with the total savings
rising from £20bn to a
possible £50bn by 2019-20.
His comments are a startling
admission of the long term
impact on public services of
the global financial crisis and
ensuing recession.
